

Hot Flash Study

If you're ready to try hormone therapy, you may want to consider trial participation. Are you:

- **Between 45 and 65 years of age**
- **Naturally menopausal (without periods) for at least 6 months OR surgically menopausal for at least 6 weeks**
- **Experiencing 7 or more moderate to severe hot flashes per day**
- **Willing to keep a daily record your symptoms using a touch-tone phone**
- **Willing to attend up to 6 study visits over a 20-weeks period**

To qualify, you must be between 45-and 65, have not had a period for a least 6 months (6 weeks if surgically menopausal)
