

Is your Daily Life Constantly Interrupted?

Do you have an over-active bladder?

- **Do you have to void every hour or two?**
- **Do you have accidents because of the strong urge to void.**
- **Do you have to get up at night to void?**

**If this sounds like you, we are now enrolling subjects
In an exciting new study to evaluate a new medical
treatment for the condition of Urge Incontinence.**

The study will last for about 4 months.

**If you qualify, you will receive a free evaluation for your
urgency condition. You will also receive free medication,
and financial compensation for you time.**

**If you would like to find out more about how to
participate, please call**
